► Who's to judge? You are.

Every year T+L asks readers to dish on their travel experiences—to share their opinions on everything from Asian islands to European cities, all-inclusive beach resorts to hilltop palazzos. Those assessments collectively define excellence in travel today, forming the basis of the World's Best Awards.

This year's edition marks the biggest World's Best Awards ever. We counted a record number of votes—more than 200,000 respondents submitted ratings—added dozens of new categories, and saw a heap of new players make the lists. (For more details on how the awards work, turn to [page 84](#).) Kudos to all the winners, and thanks to you.
