## NEW MAJESTIC HOTEL, SINGAPORE

New Majestic Hotel presents a staycation with a difference. It features 30 suites that are a treat for design lovers, created by a collective of Singaporean artists. Look out for a myriad of artistic elements, including art-adorned walls, 3D petal bedcovers and floating beds, not to mention a varied collection of vintage and designer furniture. The hotel has also collaborated with Flaneur Gallery to present the works of 15 local artists in its lobby from now until October. Priced \$209 per night. The Hôtel Vagabond

### HÔTEL VAGABOND, SINGAPORE

Little India is about to welcome Hôtel Vagabond, one of the world's chicest art hotels. Designed by French architect Jaques Garcia, this hotel promises to satiate your art thirst the minute you walk in through its doors: Works by artists such as Marco Lopez, Michael Platnic and Julia Calfee can be found all through its interior. The hotel will soon announce its first artist in residence to occupy one of its two Artist Ateliers as it continues its search for the next generation of artists.
